**TOUR PURPOSE**

Imperial SkateSoc would like to go away to a competition in late June next year. It is the 24-hour du Mans held over a weekend at the Le Mans Circuit in France. The competition is essentially a relay race over 24 hours to see how many laps each team can do in that period. SkateSoc has been present at skating competitions in summer of each year since 2005: London Inline Marathon in 2005 and 2006, and Goodwood Roller Marathon in 2007. In all the past competitions, the races were individual entries of skating up to 26 miles, but the 24-hour du Mans is a team race which will give us the opportunity to work together in an inline skating competition and a much greater challenge to overcome!
