CANDIDATES’ INFORMATION PACK
imperialcollegeunion.org/se22
Welcome

Imperial College Union is a democracy, powered by the dedication, energy and skills of our thousands of volunteers. Every year, Imperial students combine their ideas and talent to support the delivery of a world class Imperial student experience.

Through Imperial College Union, thousands of active students take leadership roles each year. Many students take up volunteer roles alongside their studies, becoming Academic & Wellbeing Representatives, Constituent Union leaders, Liberation & Community Officers, or committee members of our 380+ Clubs, Societies & Projects. Each year in the Summer Elections, a full-time, paid role, Felix Editor, is elected to hold the College and Union to account through managing the publication of the Imperial student body newspaper.

The positions in these elections have one thing in common: they can all make Imperial a better place to be. Imperial College Union has a rich history of strong democratic engagement with hundreds of students elected each year to take charge of the student experience.

Taking up one of our volunteer or paid roles won’t just put you at the heart of the Imperial student community - it will also give you skills and experiences that will boost your career and personal development before you have even left university.

We’re proud of the difference we make to the skills and confidence of our volunteers. When you volunteer with us, you can access a wide range of skills development opportunities that will give you invaluable insights and experience, desired by employers across all sectors.

All of these opportunities are available to you now. By becoming a candidate, you are in the running to be Imperial’s student leaders. We wish you all the best of luck, and thank you for taking part in the Summer Elections 2022!

REPRESENTATION NETWORKS

The Summer Elections 2022 include positions within our Representation Networks. In the Rep Networks, the remaining vacant Undergraduate Wellbeing Departmental Representative (Wellbeing Dep Reps) and Academic Departmental Representative (Academic Dep Reps) roles are available.

WELLBEING REP NETWORK

The Wellbeing Representation Network is a body of approximately 100 undergraduate student representatives who collect student feedback, identify issues, signpost students, and raise awareness on areas affecting students such as health, financial concerns, relationships, equality & diversity and personal safety.

Wellbeing Dep Reps work with the Union’s staff team, the Deputy President (Welfare), Faculty Reps, other Dep Reps, and high-level staff in their departments such as Senior Tutors and the Director of Undergraduate Studies to ensure student wellbeing is considered at the same level of importance as academic excellence. Wellbeing Dep Reps manage the Wellbeing Year Representatives in their department, organise community building events in their departments, lobby for positive changes, and act as the wellbeing voice of students in staff-student committees.

To learn more about the Wellbeing Representation Network, visit imperialcollegeunion.org/wbrn or contact the Union’s Representation Coordinator at h.schofield@imperial.ac.uk

ACADEMIC REP NETWORK

Academic Dep Reps are key figures in the Union’s Academic Representation Network, a system of 400+ student volunteers that spans all of College. These reps are responsible for collecting & collating student feedback, identifying issues, and making positive changes on areas such as assessment issues, the academic & learning experience, and resources.

Academic Dep Reps have close working relationships with high-level academic staff such as the Head of Department and the Director of Undergraduate Studies to ensure that the academic experience at Imperial is being continuously improved to provide the best outcomes for students. They also work with the Union’s staff team, Faculty Reps, the Deputy President (Education) and other Reps on College-Wide issues. Academic Dep Reps manage the Academic Year Representatives in their department, lobby for positive changes, and act as the academic voice of students in staff-student committees.

To learn more about the Academic Representation Network, visit imperialcollegeunion.org/arn or contact the Union’s Representation Coordinator at h.schofield@imperial.ac.uk
Liberation & Community Officers

Our Liberation & Community Officers work to build an inclusive, welcoming and sustainable culture at Imperial, ensuring that underrepresented voices are heard and empowering students to lead campaigns on the issues that matter most to them. They will also have the opportunity to lead the Union’s campaigns on cultural and awareness periods such as Black History Month, LGBTQ+ History Month, Disability History Month, International Women’s Day, and any other national campaigns related to their remit.

All Liberation & Community Officers shall:

All Liberation & Community Officers shall:

• Be responsible to the Union President, through the Deputy President Welfare

GENDER EQUALITY OFFICER

The Gender Equality Officer represents students with any gender-related equality issues at Imperial and works to improve the experience for those students at Imperial. They work with student groups such as FemSoc and Women in Science, as well as the Women at Imperial programme, to tackle barriers faced by women across the Imperial community.

Top Campaigning Tips

Campaigning is only allowed during the campaigning period which begins at 14:00 on Tuesday 14 June 2022. Of course, you are free to tell your friends you are running but you are not allowed to launch any campaign content until the campaign period starts. Here are our top tips for campaign success:

1. DESIGN SOME EYE-CATCHING CAMPAIGN VISUALS & LOGO
Posters, flyers and online posts are an essential part of a campaign. There's going to be plenty of them, so make sure yours stand out.

2. CREATE STRONG, ORIGINAL POLICIES
This one definitely goes without saying. It's easy to say you're going to completely overhaul the Union, but that's not necessarily possible or even realistic. Think about where you can improve something, how you can do it and whether the electorate is going to take the policy seriously.

3. DEMONSTRATE YOUR EXPERIENCE
If you've been a club captain, student rep, or sat on one of the Union committees, promote this to your advantage.

4. USE SOCIAL MEDIA TO YOUR ADVANTAGE
Facebook, Twitter, Instagram or TikTok are great ways of extending your campaign message. Remember to follow the social media rules.

5. COME UP WITH AN IMAGINATIVE SLOGAN
A witty slogan captures people's imagination and sticks in their minds.

6. GET FRIENDS TO CAMPAIGN WITH YOU, FOR YOU
Use your friends and contacts - create a campaign team! Make sure that your team understands your campaign aims and policies. Students will ask them why they should vote for you, and they need to be able to sell you as the best candidate.

7. MAKING SPEECHES IN LECTURES
Asking a lecturer before a lecture if you could have 2 minutes at the start can really get your message out there to a captive audience.

8. TALK TO PEOPLE
Explain your policies to people and why you're the right person for the role, but keep it friendly, engaging and short. Make sure they know who you are, and why you think you'd be the best person for the role. Answer their questions thoughtfully and they might tell their friends to vote for you as well.

9. BE INVENTIVE
Aside from the first years, many students will have heard all the usual campaign spiels before. Come up with a unique, original campaign to capture those jaded minds!
The Campaign Process

PUTTING YOURSELF FORWARD FOR NOMINATION

To enter the election process, you first need to put yourself up for nomination. This is a simple online procedure that involves you logging into the Elections voting website using your College login and then choosing which position you would like to stand for. The link for this is imperialcollegeunion.org/vote.

Once you have put yourself forward as a candidate, you will be asked for the username of a fellow student to 'second' or support your nomination. Your 'seconder' will receive an email notification and won't need to take any further action if they're happy to support your nomination. Nominations open at noon, 01.06.2022 and close at 14:00 13.06.2022. Once the nomination period closes, there will be a period in which campaigning is not permitted - Candidates are encouraged to review this Candidate Pack and other training material.

CANDIDATE BRIEFING

All candidates, excluding CSP candidates, will need to attend a compulsory candidate briefing session before they can begin campaigning. This will take place on Tuesday 14 June at 12:00 via Teams. Candidates will be sent an email with the Teams link after submitting their nomination, and prior to the session.

CAMPAIGNING

Campaigning begins at 14.06.2022 14:00

No campaigning is permitted before this time. To win an election, you need to run a successful campaign to convince the rest of the student body that you're up to the task.

You need to outline what you think needs changing or improving in the Union or College and then come up with a campaign strategy that is going to get you and your ideas noticed and taken seriously by the electorate.

One of the most contentious points between candidates during an election can be campaign material. In order for this election to be successful, we have to lay down some ground rules that everyone must follow:

• The election publicity rules are formed from the standard Imperial College Union publicity rules plus additional rules imposed by the Returning Officer.

• All campaign material must be in English only or have an English translation of anything said in a foreign language, the translation being equal or greater in prominence.

• All campaign material must include the predesigned Summer Elections banners available at imperialcollegeunion.org/elections. Other use of the Union or College logo on campaign material is prohibited.

• Spamming is forbidden. No use of email lists (either College or Union) or any mass emailing of any form is allowed. If a candidate, or a member of their campaign team, sends an email and the receiver does not know the sender, then lodges a complaint, the candidate may be penalised and/or disqualified.

• Campaign material must not contain offensive language, implied offensive language, or be libellous in nature.

• There must be no publicity in halls of residence.

• You are not allowed to use adhesive stickers as campaign materials.
Social Media Rules

Candidates may create social media groups or channels, such as Facebook groups or Whatsapp groups. However, candidates are not permitted to use for the purpose of campaigning any social media group created for any purpose other than the current election.

- All social media messages are governed by the same rules as email. Unsolicited messages and excessive sending of invitations are not permitted and will be considered spamming by the Returning Officer and Deputy Returning Officers.
- Any candidate using Twitter or Instagram must enter their Twitter/Instagram handle at imperialcollegeunion.org/vote when entering their manifesto.
- All social media posts by candidates and their campaign team must include the hashtag #icuElections.
- Please note that these rules are enforceable by the Returning Officer and Deputy Returning Officers.

MANIFESTOS

Manifestos give you the chance to show and convince the electorate why you are the best candidate for the role. Written versions will be displayed on the Union elections website.

Manifestos often say more about a candidate if they are not submitted in time. Any manifestos submitted after the deadline below will not be published at all. Other Union student media may also use the submitted manifesto text or contact you to submit a further manifesto.

Please note, all campaign material is bound by the Student Staff Protocol (SSP). These regulations are contained within the Code of Practice. In a nutshell, the SSP states that you cannot comment on the performance of a Union Staff member or their department if they are the sole member of that department.

Manifestos and your photo must be uploaded to imperialcollegeunion.org/vote by Monday 13 June 14:00. There is a 250-word limit for all manifestos.

SPREADING YOUR MESSAGE IN STUDENT MEDIA

All student media is open to candidates to advertise in and spread their campaign message. If you wish to advertise in any of the different student media, then you should contact them directly at one of the following addresses:

- Felix: felix@imperial.ac.uk
- IC Radio: info@icradio.com
- ICTV: ictv@imperial.ac.uk
Campaign Budgets

Candidates for Felix Editor may spend up to £50 inc VAT on whatever they require for their campaign. This covers anything that can be construed as campaigning. For all elements of your campaign, you must ensure that you get a VAT receipt. It is a requirement that you declare your spending using this form by 14:00 on Friday 17 June 2022 and send it to elections@imperial.ac.uk, including receipts, for 100% reimbursement. Please ensure that you collect VAT receipts so the Union can reclaim tax.

You may solicit sponsorship and receive good-in-kind for your campaign; however, this does not increase the amount of money you can spend on your campaign, which will remain £50 no matter how much money is donated to you. Any sponsorship income or goods-in-kind must be accounted for within your overall budget. The Deputy Returning Officers will determine a fair market value for any goods or services that are donated to you and subtract them from your budget. You must submit a Sponsorship Agreement/Contract to the DRO in advance of placing any company logos on campaign materials.

Candidates running Academic & Wellbeing Departmental Reps, Liberation & Community Officers, Constituent Union committees, Clubs, Societies & Projects Committees, and all other voluntary positions may spend up to £25 on their campaign. No reimbursement from the Union will be given, but you will still need to declare your spend using this form and send it to elections@imperial.ac.uk. It is a requirement that you declare your spending by 14:00, 17 June 2022 to elections@imperial.ac.uk, including receipts.

In this election the Union will not be providing printed materials to candidates as per the publicity policy. Instead, candidates will need to include any printing costs in their campaign budget. Printing costs will follow the standard College prices, which you can find at imperial.ac.uk/admin-services/ict/self-service/computers-printing/printing-photocopying-and-scanning/cost.

The Voting System

The voting system that the Union uses is Alternative Vote (AV) for elections with one position and Single Transferable Vote (STV) with Quota for elections with multiple positions. This enables students to list their preferences for a position, using numbers, with 1 for the first choice, 2 for the second and so on. This means that students whose first choice is not elected still get a chance to state who they prefer to be in the position. It makes it possible that, while a student may not have much immediate support, they may have a larger base of support among the wider student body and still be elected. AV and STV ensures that the person with the largest base of support among the student body gets elected.

Imperial College Union's online and mobile-friendly voting system, eVoting, will be used as in previous elections.

CSP VOTING ELIGIBILITY REQUIREMENTS

If you purchase membership in a CSP after nominations close, you will not be eligible to vote in the current elections.

RE-OPEN NOMINATIONS (RON)

Re-Open Nominations is an option available for every position. The purpose of this option is to give the electorate a chance to say that they believe no candidate is suitable for the post. There will be no formal campaign to Re-Open Nominations.

CLOSE OF VOTING

After the close of voting on Friday 17 June 12:00, complaints will be received and heard by the Returning Officer until Friday 17 June at 14:00. No complaints will be heard by the Returning Officer after this deadline; Cases will be resolved before the results are released - however in the rare case that a candidate is disqualified on the last day of voting, they will still be able to exhaust their appeal and results for that position will be delayed pending the outcome.

The results of The Summer Elections 2022 will be announced via an article on the Imperial College Union website at 17:00 Friday 17 June.
