

Hello All,

Please see the College and Foreign and Commonwealth Office advice below for trips at this moment in time.

The Union are liaising with College on how best to support staff and students across our community. We would advise anyone who has questions to first look at the [College FAQs](#) or you can email coronavirus-guidance@imperial.ac.uk if you need to ask anything specific. If you have students asking you anything relating to Coronavirus you should signpost them to the FAQs and the email address to ensure they get the right support.

Current guidance from the Foreign Commonwealth Office is to avoid travel to Hubei Province and avoid all non-essential travel to the rest of China. There are currently no travel restrictions relating to coronavirus in other countries. If you are planning a trip elsewhere you should check the [FCO advice](#) on a regular basis.

If you are unsure about anything relating to CSP travel, please email activities@imperial.ac.uk and we can advise. We recommend that if you have any plans to travel to China with your CSP within the next year please liaise with us and we can work out a way to progress.

Best,

Student Activities Team
