

### Drinks Voucher Policy

Upon request drinks vouchers can be issued to a club, society or project as part of their event booking in a Union bar venue. These can be used by attendees at the event in exchange for a drink.

The value of individual drinks vouchers can be chosen between £2.80 and £5.00. However, the Union recommends the standard value of £3.10 as this covers most drink prices.

The monetary value spent with the vouchers will be charged directly to the student groups' account and will be subtracted from the minimum spend.

If drinks vouchers are requested these will be available for collection from a Duty Bar Manager at the beginning of the event.
