

Mascot Policy

Proposer: RAG Chair

Seconders: John O'neill, Thomas Post, Irvine Howson, John Downing, Saba Shafi

Introduction:

Q: Where has all the mascotry gone?

A: We don't know but it makes us very sad.

ICU Council Notes:

1. The CGCU went and stole every mascot they could get their grubby mitts on, which was a lot.
2. Only RAG's bothered to get theirs back.
3. The CGCU failed to bring their mascot out to their bar night.
4. Mascotry is a source of income for RAG.
5. RAG is not impressed with the lack of money raised so far by mascotry (£0)
6. Should a faculty union wish to get their mascot back without donating to RAG, RAG can organise a donation of blood to the National Blood Transfusion Service, RAG can organise some community service, RAG can help faculty unions run events to raise funds. They may also steal their mascot back.
7. RAG has submitted far too many papers. This is ridiculous. Really.

ICU council Believes:

1. We need to get Davy, Theta and the gang back to their homes and get the mascotry moving.
2. Mascots are cool.

ICU Council Resolves:

1. To get the faculty unions to resolve the great mascot stalemate of 2007 by organising the payment for (in blood, sweat or beers) and the return of our beloved mascots.
2. To clarify the rules on how mascotry works to the people involved.
