

Imperial College Union
Deputy President (Finance & Services) Report
A Note by Daniel Hill

Clubs and Societies

- I am currently harassing clubs and societies that have gone into a negative SGI balance. Be warned that if you are a chair or treasurer of one of these clubs you will be required to meet with me sometime in June.
- CSB tour allocations have been announced. A number of clubs were unhappy with the allocated amounts. This has caused the DPCS to lead a review on the tour funding allocation model. I have been involved in this. Please note that your tour reports are due in 4 weeks after you get back.

Budgeting 10/11

- Budgeting is now over. Exec and RWB have met and allocated their funds across the Faculty unions and GSA.

Commercial Services & Entertainments

- When Metric opens at the start of the next academic year there will be a chance for you to host your own night. **Open to Clubs, Societies and Projects as well as Halls of Residence**, this is a great opportunity to team up with the Union Entertainments team to host club nights and events for your fellow students to enjoy.
- To host your night in Metric you need to head to visit imperialcollegeunion.org/metric where you will find more information on the process to get your night chosen. Fill in a request form, complete it and then submit it. Then our newly formed Entertainments Committee will look at the requests and inform the successful applicants. A date can then be booked and planning can start.
- The deadline for submissions is midnight 15 June.
- The entertainments committee was elected and our first meeting is taking place tomorrow.

Phase 3

- Not too much has happened on this since last time. Building work continues. Please visit the Phase 3 blog to keep up to date with the £2.4 million building project. <http://www.imperialcollegeunion.org/phase3>

Summer Ball

- Tickets are on SALE! Only 50 Dinner tickets are available, get yours quick to avoid disappointment!_The ball is less than two weeks away.
- I have been spending most of the last month working on the ball... it's going to be a fantastic evening!
- Ticket sales for Entertainment Tickets are all on schedule and are broadly similar to last year.
- The Ball is all on budget this year and although not all the expenses have been finalised we are looking good to hit our targets.
- The planning is all on schedule, the nitty gritty details being worked out with a fine toothcomb.

Colours Committee

- We spent many hours last week deliberating but reached conclusions in the end. The results of which should have been reported to council today.
