

Imperial College Union
A&E Calligraphy Start-Up Grant
A paper by the Deputy President (Finance & Services)

Notes

1. On 29/01/2011, The New Clubs Committee (NCC) approved the creation of a Calligraphy Club. It was agreed to provide them with an £82 start-up grant.
2. This grant would have come from the NCC New Clubs fund, but it was not transferred before the end of the financial year 2010/11. The fund has now been reabsorbed, and is no longer available.

Resolves

1. **To transfer £82.00 to A&E Calligraphy to act as a start-up grant from Executive Committee reserve.**
