<u>MathSoc</u>	440.66	23.99	94.6
<u>Physoc</u>	502.68	33.97	93.24

Freshers Week:

A very successful fresher's week, where our Fresher's stand was well attended and had lots to offer, with RCSU branded material, as well as promotion for events. Chelsea Pub was a huge success with >100 attendees, and after visiting several pubs, finished off in a nice bar in Chelsea. The RCSU bookshop was very successful, with many students managing to sell off their old textbooks, and many students buying cheaper second hand books of a decent quality. RCSU Autumn Ball sold out and was held in Gem Bar. RCSU also held a Buddies Bar where we offered free drinks to people who came in families. It was well attended and vastly how many freshers new of us. The RCSU also did a survey just before the start of term and this was done using survey monkey.

Science Challenge

This was launched on 24th January with a host of prestige judges. The competition will close in early March.

RAG

The RCSU has been supportive of RAG events, and this includes friendly inter-faculty mascotry. The RCSU also organised a cake sale and hopes to do more in the future.

WinterBall

This was joint with the CGCU and was a sell out event. Many people commented that it was a great event and can not wait till the next RCSU Ball. This made a small loss, however this is something the RCSU was willing to do on this occasion.

Broadsheet

The first edition of Broadsheet was published in the first term, and the second issue is being written now.

Welfare week

Welfare was a huge success with events ranging from, STI clinics, defense classes, Dr Bike stands, Ice skating, Healthy eating and exam anxiety workshops. Although attendance could have been better, this serves as a reminder that the RCSU is working to improve student welfare.

Alumni Dinner

Held in association with the RCSA, it was a successful event, boasting an attendance of >50. Although most attendees were current students, we will work continuously to have more alumni attend these events.

RCSU Exec (730) Expenditure 12-13

Date	Document	Description	Cost
			£
