Imperial College Union
Council Report
By Henry Whittaker, Deputy President (Clubs & Societies)

Management Group Standing Orders

I have updated the management group standing orders to be in line with the new constitution. This was done with consultation from each group to ensure the content was correct. The standing orders were passed at last night's Clubs & Societies Board.

Training

All of the training documents are in the process of being rewritten. The finance manuals are being consolidated into four smaller booklets, Money In, Money Out, Transfers and Event Budgeting. This should hopefully simplify the booklets and make information easier to find. The new training manuals should be published within the next couple of weeks.

New Projects Committee

The Imperial Co operative has been set up and running successfully on campus with regular stalls in Serfield.

New Clubs Committee

The new clubs committee met on 14 May to consider five proposals; Kabaddi, LOLsoc Imperial College Synthetic Biology, ICSM heart and Starcraft. The Kabaddi and Starcraft club have been created. The committee suggested that the remaining proposals carry out their activities under existing groups.
