Overview

2013 has been a very successful year for the RCC. The vast majority of Clubs and Societies are thriving, and are participating in the most diverse range of activities at Imperial (the photos in this report are evidence of this). The culmination of this is an enriched student experience for members of the union.

Due to the strong membership levels, club finances, and administrative order within the RCC, a lot of clubs are able to offer the best level of opportunity to their members. The impressive activities of the RCC are thanks to the time and dedication of all the members of the RCC who have contributed over the years and it is those members, past and present, we wish to thank and congratulate on their hard work.

However, a number of clubs have pointed out points for improvement in union operations within the individual club reports.

The RCC Exec:

Committee:

Chair, Treasurer, Secretary, Equipment Officer, Communications Officer, Events Officer

Sub-committees:

Night Hike, Dance Groups and Outdoor Groups

Night Hike:

NH is an annual team orienteering competition and fundraiser for the RCC Exec SGI

Equipment:

Stores contain a range of tents, stoves, maps, sleeping bags, roll mats, as well as a GoPro Hero 1. These are available for clubs to borrow

Stores: ICU west basement

Website: currently being updated

General meetings: Three per term, Monday evenings.

Annually: AGM – elections; standing orders; grant redistribution; and RCC awards

Dissemination of information: eActivities, email and meetings

Represented in:

Council, CSB, Indoor/Outdoor Users, Sports Partnership, Health & Safety in Sport

Club Issues:

Issues raised by clubs in their reports

- Room booking system doesn't always work as intended
 - Unable to access booked rooms (building access/locked room access)
 - Difficult to get rooms booked for long-term or short-term bookings
 - Recommendation for producing a booking system similar to minibus bookings (where availability is visible)
- Issues regarding storage during East Basement refurbishment
- Abuse of storages space and equipment by other users needs to stop
- Recommendation to produce an online service for non-Imperial-student affiliation

RCC Clubs Interim Report Form 2013-2014

Club name: Assassins' Guild

Number: 155

Person filling out form: Jessica Murray (Grand High Inquisitor)

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>Pretty great! Surprisingly, perhaps, for an organisation based around 'killing' the Guild can foster a true sense of camaraderie and honour. We frequently hear of assassins chatting with their victims as they 'bleed out'. Two flatmates arranged a lightsaber duel so that one could live on in peace. (Guild rules require that every swipe must be accompanied by a 'jwum' sound).</p> <p>We have been especially impressed and amused by:</p> <ul style="list-style-type: none">- the costumed assassin who recorded their attack on multiple cameras (his is the photo below)- the assassin who has survived three assassination attempts- the use of 'pianos' and letter bombs- the Halloween zombie massacre (12 infected)
<p>Have you had any problems running your club?</p>	<p>No</p>

Activities

(Your usual timetable of activities)

Weekly: None

Monthly: Patrol in term 2

Termly: All participating members receive a fellow member as their target. They must find and 'kill' this target. If they succeed, they are allocated a new target and the game continues until either one assassin remains or a Final Showdown is held (which eliminates all but the winner)

What locations do you use for your activities: Patrol will most likely be held on floors 2-4 of EEE, pending a Method Statement for health and safety. The term game takes place everywhere and anywhere except areas declared Out of Bounds (Lectures, labs, places of worship etc.).

General Questions

Are you planning tour applications later this academic year?

No

Did you get a handover from the previous committee?

Yes

How many RCC meetings have you attended this year? 2

Missed but sent apologies: 1

Missed but did not send apologies: 0

Did anyone in your club receive an RCC Award last year?

No

Did you hold a stand at Freshers' Fair?

Yes

Where is your club storage?

We do not currently have official club storage and need to look into this.

Does your club have a tankard(s) behind the union bar?

No, though we have now been running the 5 years required.

Do you have a website – is it up to date:

Only the standard profile page on the union website. This is up to date.

Do you have a current constitution?

No, and as far as we can tell, never have. Needs to be written.

Do you use the mountain hut?

No.

Have you had any near misses or reported accidents this term (if yes, give details)?

No.

How many first aiders do you have in your club, do you feel you need more?

None.

Have you used the union what's on calendar to advertise an event?

No.

How else do you advertise?

Past Freshers Fair we do not typically advertise the Guild to non-members since it is, at least in theory, a secretive organisation and much of the spirit of the game is lost if we are too visible.

Are you planning any major things for your club: e.g. change of membership price, constitution change, contingency claims etc.?

We do not have (and have never, as far as we can tell or find) a constitution. Our activities are well established - it just needs to be written.

Tell us how great your club is! The multiplayer chouette has started, and the initial rounds show amusing variations in points, with some players being greatly successful at high detriment to others.</i>

RCC Clubs Interim Report Form 2013-2014

Club name: RCC Bridge Society

Number: 103

Person filling out form: Kevin Satti

Tell us how great your club is!
(Best moment of the year etc)

Our club is great because it is accessible and interesting for beginners and experts alike. We teach and encourage new members and there is a facebook group where we post hands that range from quite easy to very challenging. Our stand out event this year was hosting the London Cup. This was an inter-university competition, fun competitive bridge open to everyone who wanted to play, regardless of ability. We had snacks, an independent tournament director and it was attended by Cambridge, UCL, LSE and Warwick. Our teams finished 3rd and 6th, a respectable result

Have you had any problems running your club?

RCC meetings always coincide with our weekly sessions and while a committee member attends it is not ideal. Simply unfortunate timing really.

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>Fresher's Trip 2013: With a big group and lots of new paddlers we took on the Conwy, which in previous years has proven challenging to finish before dark. All was going well, despite the horrendous rain and hail, until one of the most difficult rapids of the section was reached. Rising levels and a large number of swims led to a logjam, as three groups found themselves stuck at an interesting drop. A couple of swims meant that experienced members had to chase boats downriver, until eventually the daylight ran out and an exciting egress had to be made along a slippery ledge after roping the boats up a vertical face. Everyone had a smile on their face back at the hut, however, and huge amounts of chilli were consumed before pumpkins were carved and a firework show ended an exciting first day on river for this year's freshers!</p>
<p>Have you had any problems?</p>	<ul style="list-style-type: none"> We were without a president for some time, however an EGM was quickly arranged to fill the position.

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>The caving club is one of the most highly achieving caving clubs in the country. We are an incredibly active club (with trips every two weeks and a tour every term) that within a year allows novices to take part in caving at the highest level possible. Each year we camp 500 metres below ground and explore never before seen cave passage at depths of 1km in a cave that we have now explored to a length of over 28km (making it the largest cave in Slovenia). This year was no exception, we discovered another 1.8km of passage.</p>

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>As in previous years, the chess club has continued to pursue an active and successful way of life. Imperial are currently fielding two different teams in competitive leagues across London with the 1st team having shown themselves to be major contenders to win the Middlesex Division 1. Additionally, the committee once again held a very popular tournament on campus which saw just short of 200 while also raising some money for future events. Most notably, however, was the club tour this summer which saw our strongest players go to the US to conquer US University champions, Pennsylvania, after having been crowned BUCA champions last year.</i></p>

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>Croquet is oquet!</i> We're one of the smaller and more niche RCC clubs, but we've certainly done well this year, despite our previous main croquet training ground shutting down for two years. We've had great and recurring interest from at least 10 freshers, with 3-4 of these being high-standard existing players. We're now hibernating over the winter, but we're hoping to enter some pan-London competitions this summer, and perhaps field a team in semi-pro competitions.</p>
<p>Have you had any problems running your club?</p>	<p>Our main training ground (Parsons' Green Croquet Club) shut down for refurbishment in the summer. Last time we tried to use Queens' Lawn (the only vaguely suitable ground at Imperial) we were told 'no', but we've started talking to Ealing Croquet Club who may be able to give us coaching and use of their fields (at a small fee)</p>

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>Dance Company has had a great year so far! We have performed at the UNICEF charity concert night in November and Engineers without Borders in December. We have also auditioned for Imperial's got Talent and been invited to perform at the Fulham Dance Attic's cabaret night in the New Year. We have enjoyed several great socials, including a trip to the Royal Opera House to watch a contemporary dance show by Phoenix Dance Theatre which has inspired us all! Our weekly dance classes have been hugely popular and our new teachers have been great at motivating everyone and teaching us some challenging new steps!</i></p>
<p>Have you had any problems running your club?</p>	<p>The only problem we've had so far is lack of hours in Union spaces this term for rehearsals/classes. We hired a studio to make up some of the time lost, but couldn't reach our optimum number of hours due to rehearsals being held in 2 different venues and people being involved in multiple teams. We hope that next term will be able to get more time and allow us to hold all of our classes and rehearsals.</p>

Tell us how great your club is!
(Best moment of the year etc)

For the first time in living memory the Fellwanderers has reached 100 members before the first term ends, just one year on from its 75th birthday. The best moment for me was on the Yorkshire Dales. It was our biggest trip (35 people) and after a dismal Saturday, Sunday had perfect weather: crisp, cold and clear. We had a great ascent up Pen-y-Ghent, then witnessed a landscape of ice and snow, stretching far across the Dales, golden, under the setting sun. Alongside old friends and new, we watched the sun sink below the horizon and walked back along the valley.

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>This is Funkology's 10th anniversary and it has started as a great year! We have recently won 2nd place at RHUL dance competition, 1 place better than last year. On top of all our successful dance classes, we are holding an anniversary workshop with world famous dancers who have danced for the likes of Lady Gaga, Beyonce and many more huge music artists. We have been asked for many shows, offering amazing opportunities for our members and we are actively preparing a new Imperial Dance Show, collaborating with many other societies, and that's just the beginning!</i></p>
<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none"> • Yes, our boombox has been abused by members of other societies that use the union gym storage, to the point that we had to make a contingency claim and seek further action. We are still seeking proper storage space as our new boombox, inside a protective case, even though has been given permission and reassurance to leave in the union gym storage, the protective box has been damaged within the space of 5 days!! • We had a few issues with room bookings, securing an appropriate space for our rehearsals and classes, especially as we need mirrors. Also the Reynolds room booking system changed over the summer, so all my bookings that I had made beforehand for this academic year were wiped, so we were significantly affected for a month.

Yes another contingency claim. We previously submitted a claim for a boombox sound system and said that we would store it in a safe box to prevent people from using the sound system without priori permission. Union officials gave permission to store in the union gym storage. Within 5 days (!!!) the box has been damaged and has a large hole, approximately 20 x 10 cm in the top. We have been advised to make a contingency plan to replace it.

Recently a lot of people have taken a liking to handheld gaming and bring in their DS and play pokemon and socialize with each other. We have 3 DOTA 2 teams who have made it to the finals of UKGL Dota 2 Season 1 tournament, one which won the tournament. We also have a LoL team that is currently at the top of super 8 (highest bracket in NUEL).</i></p>

RCC Clubs Interim Report Form 2013-2014

Club name: **Imperial College Gliding Club**

Number: **112**

Person filling out form: **Tom Arscott (Captain)**

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>It's been a great start to the year for ICGC. We have easily surpassed our membership target and 58 of our 76 members have flown with us so far this term. Many have come back for more and are now progressing well with their training. We have flown every single Saturday and Sunday that the weather has allowed us to, and places have been either fully or over-subscribed throughout.</p> <p>So far this term, one student has gone solo recently, and we have converted four more members into our single seat gliders. There are now a number of members who are also pretty close to going solo. One of our more experienced members came 4th in the Junior (under-26) National Gliding Championships over the Summer, flying one of the club's single seaters, and is hoping to be selected for the British Gliding Team next year. Other members also participated in the two-seat cross-country training held at the same time and it is hoped to have them flying in the competition next year.</p> <p>Finally, we've had loads of interest in this year's Winter Tour to Scotland over New Year. Hopefully we will have some awesome weather and perhaps even send some people solo whilst we're there.</p>
<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none"> • No major problems • The weather hasn't been very helpful. We are slightly down on last year's members, mostly due to having to cancel a fair number of trips during October and November because of unusually bad weather. Not much we can do about that though!

General Questions

Are you planning tour applications later this academic year?

Yes. We have already secured Winter Tour funding. We usually hold an Easter trip, although this may not be eligible, and are currently planning a possible Summer Tour to Austria.

Did you get a handover from the previous committee?

Yes

How many RCC meetings have you attended this year? **All of them!**

Missed but sent apologies: **None**

Missed but did not send apologies: **None**

Did anyone in your club receive an RCC Award last year? **Yes, two people**

Did you hold a stand at Fresher's Fair? **Yes, complete with a glider!**

Where is your club storage? **At Lasham airfield. We keep the gliders either in their trailers or in a hangar. Parachutes are kept in a parachute store and everything else is stored in our secure workshop.**

Does your club have a tankard(s) behind the union bar? **Yes, one.**

Do you have a website – is it up to date: **Yes & Yes: www.union.ic.ac.uk/gliding**

Do you have a current constitution? **Yes**

Do you use the mountain hut? **No**

Have you had any near misses or reported accidents this term (if yes, give details)? **No**

How many first aiders do you have in your club, do you feel you need more? **None, although the airfield has staff who are trained first aiders.**

Have you used the union what's on calendar to advertise an event? **No, we would consider it, although trips have been oversubscribed so far this year anyway.**

How else do you advertise? **Facebook, website, Fresher's Fair. Hopefully some Felix articles to come soon!**

Are you planning any major things for your club: e.g. change of membership price, constitution change, contingency claims etc.?

We have already increased our membership price for this year, so we have no plans to increase it further at the moment. By far the biggest challenge facing the club is building up enough SGI to fund the refurbishment or replacement of our two seat glider in the not too distant future, whilst trying to keep the flying as cheap as possible for our members. Having used up our last remaining CEP fund on one of the single seaters last year, building SGI is now the only way we can save for when we will need to make considerable investment in our equipment (e.g. £18,000 + for a refurb).

Hopefully no contingency claims, but they wouldn't be contingency if we knew they were coming!

Club name: Kite Surfing

Number: 171

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>This year we managed to get 8 people along to the SKA Zero2Hero Beginners weekend. We left on Friday afternoon and arrived in Aberavon for a quite night at the pub with a few of the other universities kite surfers. The next day the beginners learnt to fly the kites on the beach while the experienced kite surfers went out on the water. On Saturday night the legendary SKA party took place where we all dressed as ridiculous red Indians. On Sunday a hangover bunch returned to the beach for more kiting.</p>
<p>Have you had any problems running your club?</p>	<p>The hard part with running a kite surfing club is getting people to try out the sport as it is expensive and quite adventurous. However the members we do have are really into the sport and want to go as much as possible. We have therefore teamed up with Reading Uni and LSE to run trips in order to increase the amount of people who go on our trips.</p>

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>Max 100 words</i> Mahjong Club is now running in its third year and this year proved to be quite a challenge as we were not able to attract as much members as over the last two years have been. However on the upside we continue to attract regular players, most of them coming from first years! We intend to host a Mahjong tournament later in the Spring term, welcoming not just Imperial but other Universities.</p>
<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none"> We've had issues with access to the EEE building at the start of term. Number: 138

Person filling out form: Helen Pennington (King Carnivore)

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>Our prime Meat Soc meet was a trip to Green Door Steak House. It was great to ketchup with old friends, make new ones, and enjoy good food. To not attend would have been a missed-steak. Our second event was a chicken wing-eating contest. We had warned the pub, but they thought stocking only 700 wings would be enough... Even so, we had no bones to pick with them: the service was good and the staff were fun. Furthermore, we held a trip to Rodizio Rico for all you can eat BBQ, a grate product at which this restaurant excels.</i></p>
<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none"> The society had been mostly dormant for a couple of years, nearly facing being closed or even merged with vegetarian society last year! Breathing new life into it has been a challenge, as no-one from the old committee knew the passwords to the mailing list or websites, and because many students had never heard of us.

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>It's pretty awesome. Defiantly the best way to go climbing at Imperial. Very experienced older members able to teach beginners all there is to know We go climbing all the time and get outdoors every 2 weeks. Also social events happen. Best moment this year will probably happen on one of our tours.</i></p>
<p>Have you had any problems running your club?</p>	<p>Not really everyone Is really motivated and passionate about climbing so the club could function in spite of me let alone with me organising it</p>
<p>The best photo from your club activities so far this year:</p>	 A photograph showing a person climbing a vertical rock face. The climber is wearing a dark t-shirt and jeans, and is positioned on the right side of the frame. The background features a vast, green landscape with rolling hills, a stone wall, and a blue sky with scattered white clouds. The sun is shining from the left, creating a bright, slightly hazy atmosphere.

Do you have a current constitution?

Yes.

Do you use the mountain hut?

Yes.

Have you had any near misses or reported accidents this term (if yes, give details)?

None.

How many first aiders do you have in your club, do you feel you need more?

Always at least one on a trip- which has been enough from past experience.

Have you used the union what's on calendar to advertise an event?

Yes – a give-it-a-go session.

How else do you advertise?

On our website, Facebook page and by emails to the mailing list.

Are you planning any major things for your club: e.g. change of membership price, constitution change, contingency claims etc.?

No.

Person filling out form: Isaac Gentle (Chair 2013-14)

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>The skydiving society has seen a busy start to the year which two wind tunnel trips and 2 training trips. Despite it being the worst time of the year to jump many of our regular jumpers made the icy plunge. The first wind tunnel trip was a particular success as it allowed many beginners to experience skydiving at a fraction of the cost.</i></p>
<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none">• Booking rooms is complicated. Is it possible to see which rooms are free in order to put in a request that does not clash with anyone else. A system like the mini-bus booking form would simplify the process!• As skydiving is expensive, we can't subsidise jumps and so there is not much financial incentive to skydive with us and the few people who come to imperial who are already skydivers do not sign up. Currently we are trying to get more people licensed so we can build an imperial skydiving community.

RCC Clubs Interim Report Form 2013-2014

Club name: Pole Dancing

Number: 165

Person filling out form: Ben Howitt - Chair

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>Pole Dancing continues to prove its worth despite difficult circumstances. In taking on a new instructor, we gained far stronger classes for both men and women, shown by our membership figures, and the exciting subscription of 4 new boys. We are already in the midst of planning our competition entry for the Inter Uni Pole Comp and a "London Pole Varsity" event in conjunction with UCL Pole Soc. Additionally, we are aiming to participate in an Alternative Dance Evening in Spring. We have also had interest from Kings and other unis, who are looking for instruction from our members.</i></p>
<p>Have you had any problems running your club?</p>	<p>We came back from the Summer break to find that, owing to improper storage space, and the carelessness of other Union Gym store users, most of our poles were bent and damaged beyond the point of use. We have so far been making do with personal poles owned by members of the society, but this is clearly not a sustainable way of running classes. Furthermore, last week we discovered that one of our new poles had been taken from the Union Gym. This remains to be resolved.</p>

Tell us how great your club is!(Best moment of the year etc)	<p>Clem brings joy to Imperial students, many of which from the first night they have, when we take them to the Mingle. Being a club looking after one of Imperial's vintage vehicles, it provides a degree of specialness, which you wouldn't find at any other university.</p> <p>We provide our members with a once in a lifetime opportunity to play with a historic vehicle. As part of this, they get the honour of travelling around London on a piece of Imperial's history, and meet some of the higher echelons of Imperial as befits being part of such a historic club.</p>

Going strong!

We have been running several programming workshops for students (C++, shell scripting), participated in a few competitions, and there a few more upcoming soon as well.

We also now have a functioning website and discussion group (though that was mostly quite..)

Have you had any problems running your club?

Mostly running smoothly. There was an issue with a double room booking once.. but that is mostly all.

<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none"> • The entire committee for ICSC this year are new. This has been a learning experience for all, whether navigating through the Union website, dealing with the financials and even managing emails and contacts. Through perseverance, all members of the committee are now up to speed with their roles. Having overcome the initial organisational nightmare at the beginning of the year, running the club has become much easier. • 1 day prior to a trip to South West Wales, the 'surf hire contact' cancelled on us leaving the club with no equipment for the weekend. Fortunately, that morning, having called up several surf shops around the area, it was arranged for someone to meet us at the beach with a van full of surfboards and wetsuits.

RCC Clubs Interim Report Form 2013-2014

Club name: Synchronised swimming

Number: 150

Person filling out form: Delphine Rolando (Chair)

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>The best thing about our club is the smile on people's faces after trying synchro! People come wondering what this is all about, and invariably leave exhausted but very stupidly smiling! Also, thanks to our new professional coach and our very helpful team, no swimmer leaves training without being able to do some synchro move, whatever their initial level. For me the best moment so far this year was when Gaelle looked up with a massive smile after finally managing a back somersault! But all our main events (winter and summer shows, competition...) will be during spring and summer terms.</p>
<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none"> • We started with very little numbers and found it hard to understand why that was after such a good year last year, but progressively the pool becomes more and more full at each training; we think that starting with 2 trainings per week scared people off, they didn't want to have to commit. This is definitely something we will remember for next year! • Getting the associate membership for students from other universities or for staff is a bit of a hassle... (because it involves bringing a form and cash to SAC, or sending a check, and most people seem to find it annoying) why not make an online service for that too?
<p>The best photo from your club activities so far this year:</p>

Activities

(Your usual timetable of activities)

Weekly: Training every Thursday evening 6.30 to 8.30pm

Monthly: Going to the pub/restaurant after training – Land drilling session

Termly: Doing a show to conclude the term, can be big or small (small ones are not really publicised, mainly for members' friends, but bigger ones are, last year we had 62 people coming to our summer show) depending on the time of year and how ready the team is.

What locations do you use for your activities: St Mary's swimming pool.

General Questions

Are you planning tour applications later this academic year? Yes, spring tour for our competition

Did you get a handover from the previous committee? We didn't change committee

How many RCC meetings have you attended this year? All

Missed but sent apologies: none

Missed but did not send apologies: none

Did anyone in your club receive an RCC Award last year?

Yes, the club chair got RCC merit, and other committee members receive RCC Awards during the previous years as well, including a club of the year award two years ago.

Did you hold a stand at Freshers' Fair? Yes

Where is your club storage? St Mary's swimming pool

Does your club have a tankard(s) behind the union bar? No

Do you have a website – is it up to date:

Yes, updated in October, but it would need updating again soon (before next term.)

Do you have a current constitution? Yes

Do you use the mountain hut? No – but are thinking about it for the future.

Have you had any near misses or reported accidents this term (if yes, give details)? No

How many first aiders do you have in your club, do you feel you need more?

1 first aider, but we could do with more, or with a lifeguard in the team (which would be especially helpful to be able to organise trainings outside of imperial college).

Have you used the union what's on calendar to advertise an event? Yes, we always do

How else do you advertise?

Our website, posters around campus, Felix (at least we tried but they are not very responsive), twitter, Facebook, we also tried the GSU but didn't get any reply, and we took part in the GIAG scheme.

Are you planning any major things for your club:

We have been wondering about decreasing the membership price and increasing the term fee, but need to give it more thought.

Otherwise we are applying for sponsorship to organise a big show with some big synchro teams (Aquabatix, the national GB team, London Seymour club and Brighton Dolphins), which would be a great way to promote synchro and would hopefully help publicise the club.

We are also thinking about organising a training weekend away, which would help our members progress and could also work as an introductory course for members who cannot commit to come to weekly trainings but would like to learn synchro in a nice setting. For now we were thinking about north wales, we would then use the mountain hut and we found a pool to rent in the vicinity (Bangor).

Club name: Table Football

Number: 133

Person filling out form: Jen Wong

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>Table football is a fun way to unwind after a stressful day of school. We boast three quality tables – two Garlandos and one Tornado—and conduct our training sessions with lots of friendly banter. For those looking for more adrenaline-pumping excitement, we take part in competitions organised by the British Foosball Association. It is a good opportunity for them to meet players of all abilities, including some of the top ten players in the UK, and taking home some medals! The highlight of last year was one of our members, Bryan Ng, winning the Amateur singles in the Warwick Open.</p>

<p>The best photo from your club activities so far this year:</p>	 A photograph showing a group of about seven young men gathered around a table football table. They are all looking intently at the game. The table is a standard foosball table with red and blue players. The setting appears to be an indoor sports hall or a common room with other people in the background.

Person filling out form: Joanna Beresford (Chair)

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>The club has had an excellent year so far. We kicked off the 2013 diving season with a hugely successful Easter training trip where, despite adverse weather conditions, we trained 11 divers. Since then there have been an impressive 25 trips across a range of abilities. Highlights were an Easter tour to the cold but exceptionally clear waters of Iceland, an exploratory trip to the Outer Hebrides and a Summer tour to Croatia. This enthusiasm has carried on into the Autumn term, with a mid-November trip to Portland even being over-subscribed. We look forward to continuing the success this year.</i></p>

Weekly: Tuesday night theory lessons, Wednesday night pool sessions, Monday night Octopush sessions.

Monthly: Diving trips

Termly: Weekend theory lessons

What locations do you use for your activities:

We run our theory sessions in classrooms around college.

Pool sessions are run in the pool at Ethos.

Octopush (underwater hockey) is played at the pool at St Mary's Campus.

Diving trips are run to locations across the country, both coastal and inland. Common trip locations are to Portland (where our RIB, Icy, is stored) and Wraysbury, a nearby inland dive site often used for training and trying out new kit.

General Questions

Are you planning tour applications later this academic year?

This year we intend to make an application for a summer tour to a warm location to allow our members to experience diving in different waters. We have not yet decided a location for our Easter tour, but do plan to run one.

Did you get a handover from the previous committee?

Yes. As well as receiving individual handovers for our respective positions, the last committee meeting of the summer term was held with the new committee to ensure a smooth handover of any on-going issues, and the new committee were added to the committee mailing list upon their election for the same reason.

How many RCC meetings have you attended this year? 2

Missed but sent apologies:0

Missed but did not send apologies:0

Did anyone in your club receive an RCC Award last year? No

Did you hold a stand at Freshers' Fair? Yes, we had a stand manned by at least 4 people.

Where is your club storage?

West Basement

Does your club have a tankard(s) behind the union bar?

We have a tankard for the Chair.

Do you have a website – is it up to date: Yes, it can be found at

<https://www.union.ic.ac.uk/rcc/underwater/>. It is kept up to date with committee details, trip reports and club events.

Do you have a current constitution? Yes.

Do you use the mountain hut? We have had one trip run there this year, however it is not a regular occurrence as there are better areas for diving nearer to London.

Have you had any near misses or reported accidents this term (if yes, give details)? No, we have not.

How many first aiders do you have in your club, do you feel you need more? We have 10 first aiders within the club, which is sufficient. A degree of diving related first aid and rescue management is covered in most of our diver training courses, so although we may not have a high number of full first aiders we do have the first aid capability for the diving that we do. This is assessed on any diving activity that takes place prior to its taking place by the Diving Officer who, along with the Chair, must approve all club trips.

Have you used the union what's on calendar to advertise an event? No.

How else do you advertise?

We use our mailing list, website and facebook page to share details of events.

Are you planning any major things for your club: e.g. change of membership price, constitution change, contingency claims etc.?

Club name: Wakeboarding

Number: 137

Person filling out form: William Naughton-Rumbo

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p>Wakeboarding this year is thriving - we had an excellent taster day that introduced 50 complete beginners to the sport and a high percentage of those are still active in the club having purchased membership and participating in regular trips and socials. Activity is also doing well due to the increased number of weekend trips which has attracted a number of postgraduate students who otherwise couldn't attend.</p> <p>The best moments of the year were the days we spent on summer tour in France, where everyone had a great time improving their wakeboarding skills, in addition to our hugely successful freshers day.</p> <p>Furthermore, our socials so far have been a big hit in cementing the club spirit and with more socials planned the club is sure to stay active during the cold winter months.</p> <p>2013/14 is sure to be a great year for WAKEimperial and with a large intake of rapidly progressing beginners I'm confident the club can only improve.</p>

RCC Clubs Interim Report Form 2013-2014

Club name: RCC Yoga

Number: 130

Person filling out form: Yasmin Malik- President

<p>Tell us how great your club is! (Best moment of the year etc)</p>	<p><i>Max 100 words</i> <i>YOGA CLUB IS AWESOME! We have seen so many students and staff go from being complete beginners to enthusiastic yogis in a matter of weeks. Our Indoor Picnic was a complete success, with members bringing more food than a regular RCC meeting spread!</i></p>
<p>Have you had any problems running your club?</p>	<ul style="list-style-type: none">• Our taster sessions were massively oversubscribed (typically turning away 30 people after the class had filled up).
<p>The best photo from your club activities so far this year:</p>	 <p>A photograph showing a group of people practicing yoga in a large, well-lit room. They are all in a similar pose, leaning forward with their heads touching their knees, on purple mats. The room has a central pillar and rows of chairs in the background.</p>
<p>Give your club an overall rating:</p>	<p><i>A B C D E (incredible – terrible)</i> A</p>
