

Chamber Choir Tour Application

Extract from email communication with Chamber Choir Chair and Deputy President Clubs & Societies

Yas,

Apologies, but I didn't read that the deadline for tour application was specifically at midday today. I had planned to do it this afternoon, so below is what I would have put in the fields on eactivities. If you could somehow pass that on to whoever needs it, I'd be pathetically grateful.

Purpose of Tour: To spend a week learning new repertoire, developing the musicianship of the members, and giving a public concert at the end of the week, acting as ambassadors for IC Union. We aim to give members the opportunity to have more creative input than during term times, and because singing is a group activity, the time spent together over the week will help on a musical level as well as a social one. In addition, walks and team building exercises are planned and cultural visits to the surrounding towns, Aberystwyth in particular.

Planned activities: Staying the week in a member's house in Wales. Rehearsals twice daily, and a concert at the end of the week (TBC, but last year we performed in St. Peter's, Lampeter, which was a success, so we'll probably go back there).

Dates from: 6th April

Dates to: 13th April

Number of Students: 15

Number of others: 2

Hope that's okay! Thanks in advance.

Alistair
