Reference.	
Item 8: Appointments & Remuneration Committee	
Minutes of 14 <sup>th</sup> November 2017. FOC presented	
highlights alongside A&R Chair, Kate Owen.	
1. Chair defined the role of the committee as a two-	
fold governance responsibility: Assurance - where	
needed to challenge practice and policy on matters	
to do with the organisation's appointments and	

	remuneration and Advisory - to support the	
	Managing Director with any related issues he may	
	require help with.	
2.		
	in a high turnover organisation and keep it a focal	
	area for action.	
3.	Committee discussed the People Strategy – "Our	
	Commitments". Very much a value proposition of	
	what we offer to staff. Still a draft working	
	document at this stage.	
4.	Some concerns shared regarding the re-	
	accreditation process for Investors in People.	
	There is an entirely new framework and JOH	
	pointed out that good practice, understanding and	
	communication across a new set of KPIs would	
	have to be evidenced as being embedded. With a	
	high turnover of staff during the year there is a risk	
	that we may not retain our current gold standard.	
5.	A new Head of Commercial Services has now	
	been appointed and there are three candidates	
	shortlisted for the appointment of a new chair for	
	the Finance & Risk Committee.	
Item 9	: Finance & Risk Committee Minutes of 11 <sup>th</sup>	
	er 2017. MB presented highlights alongside F&R	
	Neil Sachdev.	
	Orbis Tech have promised the organisation that	Jarlath O'Hara (Managing
	there will be a new EPOS Dashboard by the end of	Director)
	next week (9 <sup>th</sup> February 2018). JF requested that	,
	Board should be notified when this happens.	
2.	Presentation of Annual Accounts. New auditors,	
	Crowe, Clark, Whitehall. Presented an overview of	
	the audit fieldwork on the financial statements of	
	the Union for the year ending 31 <sup>st</sup> July 2017. Very	
	positive outcome.	
3	NS provided an update from the F&R meeting of	
0.	23 <sup>rd</sup> January. He raised concerns that EPOS was a	
	disappointing financial investment at this stage was	
	pleased to hear that Orbis were beginning to fulfil	
	their commitment.	
4	Summer Ball preparations were on track and there	
<u>т.</u>	have been reviews of good learning taken from the	
	Foundry experience and Dyson tender.	
5	NS had concerns over the budget and there are	Jarlath O'Hara (Managing
0.	areas of real concern that need addressing. Board	Director)
	need Monthly management accounts to be	
	circulated as previously agreed and started. JOH to	
	inform F&R and Board as reforecast process	
	concludes.	
6.		Matt Blackott (Doputy
υ.	Particular mention was given to the Events budget	Matt Blackett (Deputy President (Finance &
	and the CSP Finance Group report that was	Services)
	submitted. NS pointed out that these are disclosable documents therefore it needs to be	
	absolutely clear how the Union spends their money	

	MB explained that it was the method of reporting	
	that requires attention to ensure there is no	
	misrepresentation of the figures or bias. Further	
	narrative is required. MB agreed to review the	
	report and reformat ahead of the next F&R	
	Committee meeting.	
	b: <b>Communication Committee Minutes</b> of 11 <sup>th</sup>	
	r 2017. NB presented highlights alongside	
	unications Chair, JF.	
1.	NB provided a brief summary from the last	
	Communications Committee meeting held on 6 <sup>th</sup>	
0	December 2017.	
Ζ.	The Officer Trustee on line communication	
0	platforms are ready for use from today.	larlath O'llara (Manaring
3.	JF pointed out that the Officer Trustees should not	Jarlath O'Hara (Managing
	corporatise their platforms. They need to reflect	Director)
	individual personalities. However she also made it	
	clear that it was unacceptable that this project had	
4	taken so long to get off the ground.	larlath O'Hara (Managing
4.	Andrew Keenan, Head of Student Voice and	Jarlath O'Hara (Managing director)
	Communications, has put together a business case for SMG to source students from Data Science to	directory
	analysis our membership data. JF suggested that	
	AK would benefit from being given a timetable to	
	avoid focus drifting from this important piece of	
	work.	
5.	Felix Review. As no external body was found to	Jarlath O'Hara (Managing
-	complete this review the Union set up a working	director)
	group to begin the work. Unfortunately there have	
	not been able to meet since Christmas. There is a	
	risk that this will fall down the list of priorities. JF	
	requested that there needs to be a timetable and	
	delivery on this. JOH to ask AK to circulate to	
	Communications committee	
	: Associate Membership Policy Renewal	
1.	As part of the renewal plan for Board policies the	
2	Associate Membership policy is up for renewal.	
Ζ.	The only minor change to the policy gives responsibility for setting fees to lie with the	
	Appointments & Remuneration Committee. In	
	consideration of the rules regarding associate	
	membership of the Union the President sought	
	approval of those suggested in the policy paper.	
3	KO commented that there needs to be a little more	
0.	rigour for fulfilling the membership criteria.	
4.	Board approved the policy.	
Item 12: Managing Directors Report		
	ed Scorecard	
1.	JOH explained that this was the first live version of	
	the Scorecard. It was not perfect and still required	

	further management iterations in order to maximise	
	its usefulness.	
2.	DG queried where we look at the broader Union	
	strategies. JOH explained that between the	
	Business Plan and the Balanced Scorecard this will	
	be covered.	
3.	NB requested that we commit to some form of	Jarlath O'Hara (Managing
	colour coding to highlight what areas need to be	Director)
	addressed on the Scorecard.	
4.	Further discussion followed regarding the process	Jarlath O'Hara (Managing
	for choosing the KPIs and how we collect the data	Director)
	for the Scorecard. It was suggested that it may be	
	useful to have a discussion at the Away Days	
	around what are the measures and what can we	
	actually measure for the Scorecard to be both	
F	meaningful and useful.	
5.	5 1	
	concerns around GPDR compliance with extracting data for the Scorecard. JOH assured members that	
	there is no sensitive data shown or any form of compliance issues.	
6.	JF asked why we were showing Sponsorship	
0.	income on the Scorecard instead of Commercial	
	income. JOH explained that this is an area we are	
	underperforming in and as it is of strategic	
	importance it needed to be shown.	
7.	JOH steered the Board to discuss any concerns	
	they may have as the organisation's finances are	
	behind budget. He explained that the financials are	
	not in a favourable position at present and that we	
	are currently going through a significant	
	reforecasting process which will uncover decisions	
	we might need to take to ensure we hit budget. At	
	present we are £33k behind budget and we are not	
	hitting our income targets either.	
8.	JOH further explained that reforecast submissions	
	had been received from all budget holders and that	
0	the analysis of this was currently being undertaken.	larlath Oillana (Managing
9.	JF requested that Board be given a copy of the	Jarlath O'Hara (Managing
	monthly management accounts by the end of the	Director)
	first week following the close of month end. JOH assured Board the accounts would be circulated on	
	a monthly basis after two working weeks.	
10	. The Strategic Risk Register was included as an	
10	appendix for reference but was not discussed as it	
	is due to come to Board in April.	
11	. KO pointed out that the Crisis Communication Plan	Jarlath O'Hara (Managing
	just needed to be in place and robust enough to	Director)
	fulfil it's purpose. ACC requested that Julia	,
	Mattingley, the new Head of Commercial Services,	
	should be added into the Crisis Communication	
	Plan and contact details updated. It was agreed by	
	Board that this plan would not need to be included	

-		
	with every MD's report, unless significant changes	
	were being made to it.	
Itom 1	3: Business Plan Update	
	JOH provided an update on the development of a	
	Business Plan, built around the 15 strategic	
	objectives, which will be completed before the end	
	of February.	
2.	Board suggested that JOH remove the more	Jarlath O'Hara (Managing
	operational objectives from the Business Plan,	Director)
	making the bigger items more visible and linked to	
	the Balanced Scorecard to ensure the outcomes	
	are being measured.	
	Focus moved to two particular areas of work:	
3	<u>Wellbeing Representation Network</u> FOC delivered a comprehensive overview of the	Jarlath O'Hara (Managing
0.	current work undertaken on the Wellbeing	Director)
	Representation Network and the first term's	
	evaluation. Members agreed a more focussed	
	discussion at the Board Away Day would be	
	beneficial. JOH to invite Hannah Bannister, the	
	Director of Student Services, to attend if possible.	
4.	JF commented that, having read the paper	Fintan O'Connor (Deputy
	submitted, she was not aware that the organisation	President - Welfare)
	was launching such a major initiative. Did we	
	resource it adequately? She enquired whether it would have helped the team if Board had oversight	
	of it much earlier. FOC agreed to work with the	
	Officer Trustees and Union staff to provide further	
	scope ahead of the Board Away Day discussions.	
5.	Board agreed that it would be better to review how	Angela D'Souza
	successful this year's Network is before thinking of	(Administration Support
	extending it out to post graduates. Ideally we	Manager)
	should be thinking about building a consolidated	
	network, defining its purpose and parameters and	
	what success looks like. A review of the Wellbeing	
	Representation Network will be completed and discussed at Board in a year's time. This will be	
	placed on the forward agenda.	
	<u>Governance</u>	
6.	ACC informed Board of progress to date on the	
	Governance Review and update to Union Bye-	
_	Laws.	
7.	All proposed changes have passed through Union	
	Council without controversy.	
Item 14: Institutional Culture and Inclusivity		
	Following an Institutional Culture Report for	
	Imperial College, the Union commissioned its own	
	review of liberation, equality, diversity and Inclusion	
	(LEDI) The report recommended Board to revisit	
	what our value of 'Inclusivity' means to us.	

3.	ACC pointed out that our College partners think that this is not a problem within Imperial. Board disagreed and are working with College on the EDI strategy that they are developing. NS offered a suggestion to take a paper to Council for discussion as it does affect our students. JF commented that we need to know what the barriers are so we can define our responses. Do we have the evidence? Does the Wellbeing Representation Network provide this evidence? There needs to be a wider discussion around what is going on within student culture.	
5.	JOH responded that the Liberation Review was done to help piece this but more insight was needed.	
6.	JF requested that, in the first instance, all members	All Trustees
	email JOH a few suggestions as to what they believe are the barriers to the organisation being inclusive. JOH to collate to a paper on barriers and suggested actions for Board discussion.	Jarlath O'Hara (Managing Director)
1.	5: <b><u>GDPR</u></b> MM delivered a presentation underlying the six principles of GDPR, asking Trustees to review the preparatory steps outlined by the Information Commissions Office and ensure they are aware of the implications of the new legislation. The law regarding data protection is changing from the 25 <sup>th</sup> May 2018 in line with a new EU legal framework.	
	6: <u>Union President Report</u> ACC presented a report of her current work and plans for the forthcoming months.	
	7: <b>Deputy President Education Report</b> NB presented his progress report of his key goals for the year.	
1.	8: <b>Deputy President Welfare Report</b> FOC presented his report to inform Board of the Union's long-term student welfare projects. He commented that the Wellbeing Representation Network was moving quickly and the team were working to earn support for the project from the wider College leadership.

2. DG expressed an interest in attending one of the	Owen Heaney (Council	
forthcoming Council meetings. OH to circulate dates of the Union Council meeting to members.	Chair)	
Item 22: AOB		
1. NS raised the issue of Gender Pay – What is our		
policy to respond to fair pay for a fair day's work?		
<ol><li>KO requested this should form part of the agenda for the next Appointments &amp; Remuneration</li></ol>	Angela D'Souza (Administration Support
