

## **Union Awards 2020 – Colours, Outstanding Service Awards, and Fellowships**

Proposer: Lloyd James (Council Chair)

Seconded: Abhijay Sood (Union President)

**Union Notes:** That for the 2020 Union Awards:

- Nominations for General Awards were submitted for 252 individuals, between April 20<sup>th</sup> and May 18<sup>th</sup>. Only these nominations, capped at 250 words, were considered.
- The Awards Committee met on June 1<sup>st</sup>. Committee members were chosen based on diversity of experience, and availability. The panel consisted of: The Officer Trustees, the Council Chair, the RCSU Vice-President (Education), the GSU Vice-President (Representation), the Recreation MG Chair, the Sports MG Chair, and the RSMU President.
- Members of the Committee were not present for discussion of their own nominations.
- The Committee considered each nominee individually and compared their nominations against the three criteria of depth, breadth, and time duration of involvement. Where the Award for which an individual was nominated was not judged appropriate, a 'lower' tier of award may have been recommended instead.
- The Committee recommended an allocation of awards as designated below.

**Union Believes:** That the recommendations of the Awards Committee are acceptable.
